A NOTE ABOUT MENTORING

Congratulations!

To have a teenager consider you as their Mentor is a great compliment. A Mentor is a role model, someone they trust, someone they admire, and someone they <u>want</u> involved in their life. Your time and attention are priceless.

The Mentoring component of the National Guard Youth Challe NGe Program makes a Challe NGe Education unique. Every Cadet is **required** to have at least one Mentor. Mentors promote self-esteem, support positive decisions and introduce new possibilities in accordance with the Programs Core Components and Post Residential Action Plan (PRAP).

Cadets will live at the Academy for just 22 short weeks. A quality Mentor will support them during that time and will help them adjust to a new life filled with new opportunities after graduation. Your **Mentor Application** needs to be submitted by Opening Day of their class. A **Mentor Application** is **required** for a complete Cadet Application.

Thank you for considering this worthwhile service to the next generation. Someone believes in you and believes you will make an excellent Mentor. Don't let them down. I encourage you to contact the RPM Assistant for your county if you have questions.
