SERVICE TO COMMUNITY

During weeks 3-21 of the Residential Phase, the Cadets receive instruction centered around the 8 Core Components. One of these Core Components is Service to Community. Cadets develop an understanding of the benefits to be gained through volunteerism in community service projects and agencies. Cadets volunteer many hours during the program performing services for organizations such as the American Red Cross Blood Drive, Brown Bag for Vets, Burlington Apple Butter Festival, Kingwood and Reedsville VFD, Operation Gratitude, Rowlesburg Park, and Shafer Heritage Farms to name a few. 100% of the Cadets participate in the work and service projects, which will develop and improve work habits, work skills, and sense of community involvement. Each Cadet is required to perform 40 hours of Service to Community. Certificates of Appreciation and Letters of Recommendation are presented to Cadets from the recipients at final graduation as part of the Cadet's portfolio.

COVID-19 did not deter Cadets from participating in Service to Community events. In true military form, Cadets adapted to the situation and came up with alternative projects to meet the Core Component requirement. Cadets regularly performed area beautification of the Camp Dawson grounds and assisted on a variety of maintenance projects such as painting.
