## FAIRNESS RIBBON

All Cadets who completed the Third Progress Report received the Fairness Ribbon. The orange ribbon represents the need to play by the rules, be opened minded, do not take advantage of others and do not blame others carelessly. Treat all people fairly. Do what is right not what your friends do. Be a leader not a follower.

## IMPORTANT INFORMATION

1. Cadets get nervous and stressed at test time. Encourage them to work in their workbooks. This is a positive way to focus their energy. Hi-SET Tests are just around the corner.
2. Keep your Cadets supplied with stamps.
3. Do NOT encourage your Cadet to become involved in a "romantic" relationship with another Cadet. It only leads to broken hearts and D-Squad.
4. Graduation for Class 2-2022 will be held in the Multi-Purpose Building at Camp Dawson. Cadets are limited to SIX (6) guests. No exceptions. Graduation Guest List forms are to be returned by Monday, November 28, 2022. Look for these forms with Progress Report 4 mailing.  
**NOTE:** Children of any ages are to be counted as part of the 6 guests. Mentors will be allowed to attend and will not be counted as part of the 6 guests.

## SCHEDULE OF EVENTS

## MCA Requests Your Help

Now is the time for Cadets to formulate their Post Residential Action Plan. They have been developing S.M.A.R.T. goals for their year following MCA graduation. Goals must be Specific, Measurable, Attainable, Realistic, Time Bound. (See your handbook for more details).

How can you help? Talk to your Cadet about these details. Are they Realistic? Can you support these goals? It's time for a reality check.

This is a team effort. Parents, family members, Mentors, MCA Staff and Cadets all want MCA Program Graduates to be successful, contributing members of society as a student, volunteer or member of the workforce. Help us validate the PRAP's by talking to your Cadet or their RPM Assistant.

## Did You Know?

- Cadets are served poultry, fish and/or beans nearly every day to ensure they get an adequate dose of protein. Protein is essential for healthy growth, muscle building and strong immune systems.
- Cadets often have the option to grab a kiwi with their lunch or dinner. Kiwis are a good source of potassium, which keeps Cadets' hearts beating strong.
- Sweet potatoes are served to the Cadets in a variety of ways. Sweet potatoes have twice the amount of fiber as regular potatoes. Fiber aids in digestive health.
- The Cadets completed a Nutrition Class, in which they learned details of each food group, how to read a nutrition label and tips on living a healthy, fit lifestyle after MCA. Check out [www.myplate.gov](http://www.myplate.gov) to learn more.
